

Results day will involve a large gathering of people so please complete a lateral flow test the day before you come to collect your results and record the outcome in the usual way. Do not come into school if you:-

- have any COVID-19 symptoms;
- have received a positive test result;
- or have been instructed to self-isolate by Test and Trace or the NHS Covid app.

Collecting Results

	Date	Collection window
GCE (A Level) Results (Y13 only)	Tuesday 10 August 2021	8.30am to 10.30am
GCSE Results (Y11 only)	Thursday 12 August 2021	8.30am to 10am

The following plans are provisional at this stage, and may need to be modified depending on the national and local situation with regard to COVID-19. We will email you to finalise the arrangements the day before your results are released.

Students should enter the school through the main reception and make their way to the Sports Hall to collect their results. To help to manage numbers in the building and allow for appropriate social distancing, we ask that students come into the building alone. We will require students to wear masks while moving around the building.

Any results that have not been collected will be emailed to students – see your email for further details.

After Collecting Results

Year 13 - In your results envelope you will find a destination form. Please complete this and hand it in before you leave. We will also ask for contact details so that we can contact you with details of future events such as Prize-giving.

If you need any support with your University application, the Sixth Form Team and the Careers Team will be available in the ILA to help. You can also arrange to come into school on Wednesday 10 August for further support with the clearing process. If you need to do this, you will need to email Mr Oxby with details of what you want to discuss. He will then give you an appointment time with the best person to help you.

Year 11 - In the results envelope, you will find an options form. This form should be completed and handed before leaving the site. If you wish to change any of your options, the Sixth Form Team will be available to discuss this with you.

What to do if you are unhappy with your results

Staff will be available to discuss the appeals process with you. Please see the [Post Results](#) section of the school website for full details.
